SoundPET is a 100% recyclable, PET based sound absorber. Besides its very efficient acoustic behavior, this material is also compatible with public-use safety and fire ratings and classifies as a Class 1 product according to the OEKO-TEX® Standard 100. This environmentally friendly, non-toxic material can be applied to any surface or cavity, due to its humidity resistance and high mechanic resistance to abrasion and impact.

Material : **Non-woven polyester**
 Dimensions - **595 x 595 x 9 (mm)**
 Weight - **0,3 Kg***
 Density - **120 Kg/m3**
 Installation - **Mechanical | Chemical**
 Hs-Code - **39269097**
